

## NA Service Resume

Dear NA member,

The position for which you may be nominated will require that you make a commitment of at least 12 months. This means that you may be asked to make a considerable investment of your time. You may be asked to travel and spend time away from your family, your job, and your home. For member and officers of Inland Lakes Unity Committee, this means at least one Sunday every month away from home. You may also be required to spend some of your personal funds in order to fulfill your responsibilities. Certainly you will have work to do at home in your spare time, such as reading or writing reports and discussing the plans and objectives of your work with other members or your subcommittee.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider the responsibilities that go with the elected position for which you may be nominated. You may also wish to consult your family or your sponsor. Talking with members who have served at the area level may give you additional insight into the commitment involved. Service had many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.

In Fellowship,

Inland Lakes Unity Committee
